## HOUSE MOTION \_\_\_\_\_

MR. SPEAKER:

I move that Engrossed House Bill 202 be amended to read as follows:

- 1 Page 1, between the enacting clause and line 1, begin a new paragraph
- 2 and insert:
- 3 "SECTION 1. IC 20-12-5.5-2 IS AMENDED TO READ AS
- 4 FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 2. (a) In addition to
- 5 projects authorized by the general assembly, the trustees of each higher
- 6 education institution may engage in any of the following projects so
- 7 long as there are funds available for the project and the project meets
- 8 any of the applicable conditions:
- 9 (1) Each project to construct buildings or facilities of a cost
- 10 greater than two hundred thousand dollars (\$200,000), or to
- 11 purchase or lease-purchase land, buildings, or facilities the
- 12 principal value of which exceeds one hundred thousand dollars
- 13 (\$100,000), must be reviewed by the commission for higher
- 14 education and approved by the governor upon recommendation
- 15 of the budget agency. If any part of the cost of the project as
- 16 specified in section 3 of this chapter is paid by state appropriated
- 17 funds or by mandatory student fees assessed all students and if
- 18 the project is to construct buildings or facilities of a cost greater
- 19 than five hundred thousand dollars (\$500,000), or to purchase or
- 20 lease-purchase land, buildings, or facilities the principal value of
- 21 which exceeds three hundred thousand dollars (\$300,000), the
- 22 project must also be approved by the general assembly. Nothing
- 23 herein limits the trustees in supplementing projects approved by
- 24 the general assembly from gifts or other available funds so long
- 25 as approval for the expansion of projects is given by the governor

1           on review by the commission for higher education and  
2           recommendation of the budget agency.  
3           Renumber all SECTIONS consecutively.
